Explore expertly crafted, contemporary hooked rugs with designs ranging from abstract to political statement, and from adorable pet depictions to painterly expressions. The Green Mountain Rug Hooking Guild mounted a great exhibit for a few short weeks in November 2008 at Shelburne Museum in Vermont, and now displayed forever in the pages of this rich book. Two featured artists - Rae Harrell and Diane Kelly - display their personal styles through retrospectives of their work. Members from the guild were challenged to think outside the box, and they came up with a variety of imagery and form ranging from lifesize, three-dimensional sheep to extraordinary miniature punch-needle works. Other categories include animals, florals, landscapes, penny rugs, and even a small section dedicated to the smallest members of the group: the children. The colors, forms, and variety will astound and inspire anyone with an interest in fiber arts.
