When we talk, we tell stories and present ideas rarely with much anxiety. But think about writing something and panic sets in. Overcome this crippling response by learning how to talk on paper. Joel Saltzman tells it like it is with compassion, humor, and the uncommon wisdom of famous writers, artists, and musicians. Based on his popular workshop for the UCLA Writers' Program, this is a program with proven results. You'll discover how to: Conquer the killer Perfectionism, Paralysis, and Procrastination. Silence your inner critic. (Shut up, already. I'm trying to write!) Stop worrying about the rules of grammar. Get inspired when you don't feel inspired. Write with conviction, not apology! This best selling book gives you the daring and freedom to talk on paper without worrying whether it's good or bad or what it's going to be the kind of writing that's creative, energetic and, most of all, truly your own.
