After the death of her father, Kathryn must go to live with her Aunt Belle in Alberta. Arriving at Buffalo Hills, Kathryn is horrified to learn her new home is a group of shacks called River Falls, a Métis community. Never having known her true heritage, Kathryn is further shocked to discover it's not even a permanent home. Barred from owning land, the Métis must find a way to live in the road allowances, or ditches – the strips of government land between the public highway and the private properties of recognized citizens. Excitement comes in the form of a mysterious stranger known as the Highwayman, a shadowy Robin Hood figure who rights wrongs against the Métis people in his own way. When he is framed for a crime he did not commit, and Aunt Belle becomes involved, Kathryn must use all her resources to prove their innocence – and challenge the deep-seated beliefs of an entire community. Set in 1901, *Outcasts of River Falls* is the sequel to the award-winning *Belle of Batoche*.
