This manual addresses practical solutions to both routine and specialized construction law issues with citations to authority and forms. While it focuses on Florida law, general construction legal issues are also addressed. Topics include Florida statutory compliance with contractor and design professional licensing; construction and design contract terms and disputes, including applicable Florida statutes and case law; Florida construction lien compliance, enforcement, and defense; Florida statutory construction bonds; Florida's notice of defect and right to cure statute; Florida construction insurance issues; Florida construction lender responsibility laws; and Florida alternative dispute resolution and administrative procedures.
