Freud on Women: A Reader

Freud on Women: A Reader

Ever since Freud made his first major statements about female sexuality and psychology, his views have been the focus of intense debate?both within psychoanalysis and without.

By now, the lines of battle have become so many and so criss-crossed that it is not easy to see the original *causus belli* clearly. This anthology will encourage current and new generations of debaters, and discourage the circulation of simplistic versions of what Freud supposedly said about women.

Chronologically arranged, this first volume to collect Freud's writing about women shows clearly how his views arose, then were refined, systematized, and revised. Certain theories stayed constant?such as the notion of universal bisexuality?while others changed. Elisabeth Young-Breuhl, in her comprehensive introduction, illuminates the theory and tracks the core elements. Each selection, based on the James Strachey translation, carries a brief commentary; and an annotated bibliography covers field developments since Freud's death. While appreciating the genius of Freud, this anthology aims not to present a point of view but to allow readers to discern for themselves the evolution of Freud's thinking.

From reader reviews:

Richard McCain:

Reading a publication can be one of a lot of pastime that everyone in the world adores. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new data. When you read a guide you will get new information because book is one of various ways to share the information or their idea. Second, reading through a book will make an individual more imaginative. When you examining a book especially tale fantasy book the author will bring you to imagine the story how the people do it anything. Third, you can share your knowledge to others. When you read this Freud on Women: A Reader, you are able to tells your family, friends along with soon about yours reserve. Your knowledge can inspire average, make them reading a guide.

Alex Levey:

You may spend your free time you just read this book this e-book. This Freud on Women: A Reader is simple to develop you can read it in the park your car, in the beach, train and soon. If you did not include much space to bring the printed book, you can buy often the e-book. It is make you much easier to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Stephen Hancock:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Freud on Women: A Reader can make you really feel more interested to read.

Sandra Earnhardt:

What is your hobby? Have you heard which question when you got learners? We believe that that issue was given by teacher to their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person like reading or as reading through become their hobby. You have to know that reading is very important and book as to be the issue. Book is important thing to increase you knowledge, except your teacher or lecturer. You find good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them are these claims Freud on Women: A Reader.
