Hipster Animals: A Field Guide Dyna Moe

A field guide to scenesters, trend-hoppers, and other cutting-edge species you've like, probably never heard of. They're pretty obscure.

An illustrated pocket guide to the hip characters populating “cool neighborhoods” across America, *Hipster Animals* helps readers identify these urban wildlife in their natural habitats. Including details on the creatures' identifying characteristics, diets, mating behavior, and calls, this parody reference guide provides a snarky glimpse into the foreign—yet all too familiar—world of the trendsetters among us.

From the Trade Paperback edition.
