The eleventh in the series of bestselling quilt-pattern collections, *Kaffe Fassett's Quilt Romance* is a study in pastels and tradition set against the dramatic Italianate architecture of a tiny Welsh village. Based on Fassett's signature line of Rowan fabrics, the pieces have been designed by some of the world's finest quilters, including Liza Prior-Lucy, Pauline Smith, Robert Horton, and introducing Kim McClean, an Australian quilt designer and teacher. The stunning photos by Debbie Patterson are just the start: complete instructions for creating each museum-quality quilt are included along with tips and techniques that Fassett has gathered in his more than 30 years of experience. Every quilter will treasure this next book in the series from an international favorite.
