**A Children's Version of our Popular Softback Reading Log / Journal [\$5.50 / £3.99]**

## **INTERIOR:**

One hundred spacious record pages; wide-ruled to assist young writers and with a simpler vocabulary than our standard reading log. (To view, click on Look Inside and scroll past the initial blank Contents tables). As well as the main review space, there's space to log:

- title, author, cover picture & page count,
- start & finish dates,
- book type & source,
- thoughts & inspirations in an Inspiration Tree,
- ratings on story, characters and ease of reading, as well as an overall smiley score, and
- lines they liked.

**At the back** you'll find:

- a loan record sheet,
- a tick list of the top 100 voted fiction books with the children's books highlighted in bold. (We thought about removing this list, but there are 100 records to fill and children do have a habit of growing up! Many of the "adult" books on the list are perfectly suitable for pre-teens and a familiarity with a few famous book titles can be useful for kids' general knowledge.), and
- a Notes page for jotting down new authors, books to read, and other useful reading resources.

**At the front**, a blank personalized Contents Table gives space for kids to add their own favorite categories alongside some of the more common children's literature genres.

All pages are of thick white paper (55lb) to minimize ink bleed-through.

## **EXTERIOR:**

**Cover:** Tough matte paperback.

**Binding:** Secure professional trade paperback binding, i.e. it's built to last; pages won't fall out after a few months of use.

**Dimensions:** 20.3 x 25.4 cm (8" x 10"). (Almost the same width as A4 but a few cm shorter in height)

**MATCHING PRODUCTS:** This design is also available on a primary composition book. Search on 'primary' & 'bookx'.
