Fold and fly your own realistic paper airplanes with this easy origami kit.

Simple Origami Airplanes Kit presents a collection of realistic origami paper airplanes from well-known author and paper aviation expert Andrew Dewar. Dewar has spent decades perfecting the art of folding easy paper airplanes that both look great and fly well. *Simple Origami Airplanes Kit* features models with sturdy wings and fuselages—these designs are so perfectly balanced that a gentle throw results in amazing flights, time after time.

All the origami projects are designed to be simple enough to be considered "origami-for-kids" kits, and can be assembled by beginning origami folders. Paper airplanes are a great way for children to learn origami and gain an interest and appreciation for this fascinating art form. The flashy folding papers already have plane images printed on them, making the finished origami planes look as awesome as they fly. As an added bonus, the accompanying DVD shows precise instructions and tips from the designer.

This origami kit contains:

- Full-colored origami assembly book
- Step-by-step instructions and diagrams
- 14 original design projects for planes
- dozens of origami folding papers
- A variety of colors with printed fold lines
- A DVD with easy-to-follow video tutorials

Fun and accessible for both the paper crafts novice and the more season paper folder, this wonderfully giftable origami kit gets you started right away and is a great value. The pre-colored origami paper is ready to fold—No scissors or glue required!
