## **The Seeker For Truth - My Essential Works: Extended Annotated Edition** James Allen

Although James Allen is comparatively unknown, yet to thousands of seekers after truth, he has proved a guide, philosopher, and friend. One of his works, "As a Man Thinketh", has gone into no less than eleven editions; surely proof that he has a considerable vogue. The most casual reader of any of his works cannot fail to be impressed by the simplicity, cheerfulness, and benevolence which seem to radiate from the soul of the writer. We cannot place James Allen in any exclusive category, as he teaches so much that harmonizes with all the best thought of our age.

This edition contains his works:

Out From The Heart

The Life Triumphant: Mastering The Heart and Mind

Man: king of mind, body, and circumstance

Foundation stones to happiness and success

The Way Of Peace

Men And Systems

This is the extended annotated edition including a rare essay about James Allen, written by Murdo S. Carruthers.
