Berries grow in all parts of North America and come in a wide variety of colors, sizes and shapes. But how do you know which ones are safe to eat and which could make you sick, or worse? *Good Berry Bad Berry* is the authoritative one-stop guide to identifying and safely enjoying these healthy "superfruits" -- with clear descriptions and full color photographs of 40 of the most widely available berries in North America (including a separate listing of berries found only in certain regions). Packaged with heavy matte-laminated pages and concealed-wire binding for handy, water-resistant use outside.
