The English nanny is an institution. The image of the smartly uniformed, traditional nanny features in many books and films and there is something rather comforting about the idea of a 'no nonsense', nurturing and sensible childcare expert looking after your family.

For over a century, Norland Nannies have cared for royal and celebrity families and are the best, most respected nannies in the world. Now their clear advice and straightforward methods - tried and tested on thousands of families - are brought together for the first time.

*Nanny in a Book* is a practical companion to childcare that will help you with:

\* Setting up your nursery \* Sleeping, weaning and potty training \* Teaching your child good manners and behaviour \* Nursing common ailments from sore tummies to measles \* Organising a fabulous birthday party.

Full of Nanny's top tips and personal stories, *Nanny in a Book* will become a trusted guide and a treasured companion - the next best thing to Mary Poppins herself sweeping in on the East wind and turning up on your doorstep.
