The Moment of Truth Mark O'Neal

The Moment of Truth is Volume 2 of the Maurice Ousley series. Maurice Ousley seems to have it all: his team captures first place after a gutsy win before All-Star Break, he's voted by the coaches to the NBA All-Star Game, and he plans a cozy evening with his girlfriend Gabrielle to pop the question. However, the evening begins to unravel as Maurice finds out about a dark secret that Gabrielle has hidden from him.

He subsequently leaves her at the restaurant once the truth is revealed. He then goes to a party hosted by one of the All-Star basketball players to blow off some steam. There he meets a stunningly attractive actress and finds out that she has a huge crush on him.

Finally, Maurice caps off the evening by small talking to some of his teammates, and his best friend on the squad drops another bombshell on him. Just when the night couldn't get any worse, he discovers he's also the target of the same federal fugitive who kidnapped his stepfather a year prior. Will Maurice leave Gabrielle for the actress, or will he stay with her? What news does his teammate tell him? And lastly, will Maurice survive, or will his past finally catch up to him?
