## **An Accidental American: A Novel (Mortalis)** Alex Carr

Forced out of a self-imposed exile, one woman faces a lifetime's worth of secrets and betrayal—all in the name of staying alive.

Nicole Blake had planned to leave her criminal life in the past. She had done her time in a dank prison in Marseille and relinquished the world of forgery and counterfeiting for an unassuming career as a freelance consultant. Now her world is a small farm in the French Pyrenees, with daily fresh eggs and the companionship of her devoted dog.

But when U.S. intelligence operative John Valsamis shows up at her door, Nicole is reminded that she'll always be an ex-con. Valsamis is after Nicole's former lover, Rahim Ali, and soon Nicole finds herself back in Lisbon, tracking down Rahim in all their old haunts. Except now Rahim isn't just a document forger—he's a suspected terrorist.

Unwittingly drawn into an international web of fundamentalism, crime, and corruption, Nicole discovers that its threads stretch from the cobbled streets of Lisbon to the once-beautiful city of her birth, Beirut, and to the top levels of the government that sent Valsamis to find her. And as with any good web, the harder Nicole fights to free herself, the tighter it closes around her.
