Derived from the old breeds of herding and farm dogs, the first German Shepherd was shown in America in 1907. It is hailed as the world's leading police, guard and military dog, however, this dependable breed is more than its 9-to-5 job. Consistently one of the United States' most popular breeds, the German Shepherd is also a loving family companion. The fame associated with Rin-Tin-Tin and Strongheart two members of the breed who became movie stars shot the popularity of the breed sky-high. Energetic and fun-loving, the breed is very fond of children. Founded in 1884, the American Kennel Club is the most well-known registry of pure-breed dogs in America. The AKC advocates for the purebred dog as a family companion, advances canine health and well-being, works to protect the rights of all dog owners and promotes responsible dog ownership. American Kennel Club German Shepherds 2016 features bright beautiful images with information about German Shepherds every month. Spacious grids provide lots of writing space, international holidays and moon phases. There are sections at the back of the calendar for emergency contact information and birthdays/anniversaries and a full-page 3-year at-a-glance. Earth friendly, printed with soya-based inks on FSC certified paper.
