Ghost Boy (Laurel-Leaf Books) Iain Lawrence

Harold Kline is an albino--an outcast. Folks stare and taunt, calling him Ghost Boy. It's been that way all of his 14 years. So when the circus comes to town, Harold runs off to join it.

Full of colorful performers, the circus seems like the answer to Harold's loneliness. He's eager to meet the Cannibal King, a sideshow attraction who's an albino too. He's touched that Princess Minikin and the Fossil Man, two other sideshow curiosities, embrace him like a son. He's in love with Flip, the beguiling horse trainer, and awed by the all-knowing Gypsy Magda. Most of all, Harold is proud of training the elephants, and of earning respect and a sense of normality. Even at the circus, though, two groups exist--the freaks, and everyone else.

Harold straddles both groups. But fitting in with those who are "normal" comes at a price, and sometimes it's recognizing the truth beneath what's apparent that ultimately leads to happiness . . . and turns a boy into a man.

From the Hardcover edition.
