Justin: The Unauthorized Biography Sean Smith

"My name is Justin. I guess I should go ahead and tell you I sing."

-- Justin Timberlake at age eleven

The meteoric rise of Justin Timberlake from one-fifth of boy band *NSYNC to one of the world's top male solo artists has been nothing short of extraordinary. But how did this precocious curly-haired boy from the Tennessee Bible Belt and former Mickey Mouse Club member transform himself into "The New King of Pop" (*Rolling Stone*) and one of the most respected young R & B artists around?

Bestselling author Sean Smith has traveled across the country to discover the real Justin. Through a series of exclusive interviews, he assembles a rich portrait of Justin's rural childhood outside Memphis, the talent show years, the Mickey Mouse Club era -- when he met Britney Spears and Christina Aguilera -- the rise of *NSYNC, and the breakthrough solo album, *Justified*, that brought Timberlake critical acclaim and superstar status all his own.

Justin: The Unauthorized Biography also uncovers the truth about the women in Justin's life -- from first love all the way to Cameron Diaz -- and offers fascinating insights on why his first three serious relationships, including his most famous affair with Britney, ended with Justin crying "she cheated!" With over twenty pages of full-color photographs, an exclusive birth chart, complete discography, and updates on his thrilling new film-acting career, *Justin: The Unauthorized Biography* is a must-have biography of the man the NME has dubbed "the coolest man in pop."
