Richard II (Bantam Classics)

William Shakespeare

Richard II (Bantam Classics) William Shakespeare

This moving and eloquent historical drama depicts the conflict between a willful and arrogant poet of a king, Richard II, and his politically pragmatic cousin, Bolingbroke. Rich with memorable scenes and speeches, this lyrical history moves from a splendid medieval tournament to the poignant surrender of a crown; from the queen's heart-shattering farewell to her king to Richard's murder—a deed “chronicled in hell” that lives forever as one of the great moments in theater.
