With the stunning public cases of leadership gone awry, the search is on for a type of leadership that incorporates human values in an otherwise exploitative business world. In this book, the authors take the scalpel and address deeply ingrained nefarious management theory, and show the way to healing, opening fresh fields of ambition, new degrees of passion, and creativity. A synthesis of the best Western thinking and Eastern wisdom teachings, the book introduces "The Chakras of Leadership," a model of leadership that differentiates seven levels of human energy use.
