The Princess Diaries, Volume X: Forever Princess Meg Cabot

What's a Princess to do?

It's Mia's senior year, and things *seem* great. She aced her senior project, got accepted to her dream college(s), and has her eighteenth birthday gala coming up . . . not to mention prom, graduation, and Genovia's first-ever elections. What's not to love about her life? Well . . . *everyone* adores her dreamy boyfriend, J.P., but Mia is not sure he's *the* one. Her first love, Michael, is back from Japan . . . and back in her life. That senior project? It's a romance novel she secretly wrote, and no one wants to publish it. And her father is losing in the Genovian polls—to Mia's loathsome cousin René!

With not just Genovia's but her own future hanging in the balance, Mia's got some choices to make. And what she decides might determine not just the next four years but . . . forever!
