The Weight of Small Things Sherri Wood Emmons

From the acclaimed author of *Prayers and Lies* and *The Sometimes Daughter* comes an emotional, compelling, and ultimately uplifting novel that explores the fragility and resilience of love--and the decisions, large and small, that determine not just who we are, but who we want to be.

Corrie Phillips has an enviable life--even if it's not quite the one she wanted. She enjoys working at her university alumni magazine, her house is beautiful, and her husband, Mark, is attentive, handsome, and wealthy. But after years of frustration and failed attempts, Corrie is desperate for a child--and haunted by the choices in her past.

A decade ago, just after college, Corrie's boyfriend Daniel left town, intent on saving the world even if it meant breaking Corrie's heart. Now he's returned, and despite her misgivings, Corrie feels drawn to him again. But the emotions that overwhelm her may put her marriage and her secure, stable life at risk. Faced with an unexpected choice, Corrie must unravel illusion from reality at last and weigh what she most needs against what her heart has always wanted.

From reader reviews:

Virginia Combs:

The book *The Weight of Small Things* can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book *The Weight of Small Things*? Some of you have a different opinion about publication. But one aim in which book can give many data for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or info that you take for that, you may give for each other; you may share all of these. Book *The Weight of Small Things* has simple shape but you know: it has great and massive function for you. You can appearance the enormous world by start and read a guide. So it is very wonderful.

Houston Boynton:

Spent a free time to be fun activity to perform! A lot of people spent their free time with their family, or their friends. Usually they carrying out activity like watching television, gonna beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Could be reading a book is usually option to fill your totally free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to consider look for book, may be the reserve untitled *The Weight of Small Things* can be fine book to read. May be it may be best activity to you.

Richard Horgan:

Reading can called brain hangout, why? Because if you are reading a book mainly book entitled *The Weight of Small Things* your thoughts will drift away trough every dimension, wandering in most aspect that maybe not known for but surely can become your mind friends. Imaging every word written in a book then become one form conclusion and explanation which maybe you never get previous to. The *The Weight of Small Things* giving you a different experience more than blown away your brain but also giving you useful data for your better life in this particular era. So now let us explain to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Mary Stone:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this *The Weight of Small Things* can make you sense more interested to read.
