## **Taller When Prone: Poems** Les Murray

"Les Murray has earned his reputation not only as one of Australia's finest writers but as one of the most engaging poets writing in English today." -Kate Kellaway, *The Observer* (London)

*Taller When Prone* is Les Murray's first volume of new poems since *The Biplane Houses*, published in 2007. These poems combine a mastery of form with a matchless ear for the Australian vernacular. Many evoke rural life in Australia and elsewhere-its rhythms and rituals, the natural world, the landscape and the people who have shaped it. There are traveler's tales, elegies, meditative fragments, and satirical sketches. Above all, there is Murray's astonishing versatility, on display here at its exhilarating best.
