The Cairngorms: A Secret History is a series of journeys exploring barely known human and natural stories of the Cairngorm Mountains. It looks at a unique British landscape, its last great wilderness, with new eyes. History combines with travelogue in a vivid account of this elemental scenery. There have been rare human incursions into the Cairngorm plateau, and Patrick Baker tracks them down. He traces elusive wildlife and relives ghostly sightings on the summit of Ben Macdui. From the search for a long-forgotten climbing shelter and the locating of ancient gem mines, to the discovery of skeletal aircraft remains and the hunt for a mysterious nineteenth-century aristocratic settlement, he seeks out the unlikeliest and most interesting of features in places far off the beaten track. The cultural and human impact of this stunning landscape and reflections on the history of mountaineering are the threads which bind this compelling narrative together.

#### **Maria Peterson:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Cairngorms: A Secret History can make you really feel more interested to read.
