The Dancers Dancing

Eilís Ní Dhuibhne

The Dancers Dancing Eilís Ní Dhuibhne

It is 1972. A group of teenage girls are sent to the Donegal Gaeltacht to improve their Irish and experience the local culture. ??

Liberated for the first time from the reins of parental control, they respond to the untamed landscape of river, hill and sea, finding in it unnerving echoes of their own submerged – and now emerging – wildnesses.??

Praise for The Dancers Dancing??

‘Éilís Ní Dhuibhne in *The Dancers Dancing* has produced one of the most compelling and understated exercises in the female Bildungsroman.’?

Declan Kiberd??

‘With a delicate touch not unlike Arundhati Roy’s in *The God of Small Things*, Ní Dhuibhne sneaks under the ill-fitting skin of her metamorphosing Derry and Dublin cast. Their stories unravel in shifting voices with all the wisdom and perspective of an omniscient narrator.’?

Sunday Business Post ??

‘Ní Dhuibhne’s writing is marvellous, building layers of impression until a complex, vital and true-false picture of liberation is revealed.’?

Irish Times??

‘Her observations are lemon-fresh, her writing beautiful, witty and wry.’?
