## **The Viking Tales (Unabridged Start Publishing LLC) Jennie Hall**

Jennie Hall is most noted for her fascinating travel memoirs of the late eighteenth century. She produced vibrant narratives and brilliantly vivid descriptions that have made her popular among readers who wish to be transported into another area or time period. Her "Viking Tales" is an excellent example of that. The story follows the life of the Viking Harald from infancy to his crowning as King of Norway. It focuses on the Vikings' eagerness for adventure and new lands as they set forth from Norway and sail westward across the Atlantic, island-hopping on their way to America. The legends of these men were passed down through generations of families, while they sat around the fireside on bitterly cold winter nights playing harps and working with wool. This adventurous book will entertain young and old readers alike as they take a look at the lifestyle and world view of these mysterious people.
