Wilderness forever: Howard Zahniser and the path to the Wilderness Act (Weyerhaeuser environmental books) Mark W. T Harvey

As a central figure in the American wilderness preservation movement in the mid-twentieth century, Howard Zahniser (1906-1964) was the person most responsible for the landmark Wilderness Act of 1964. While the rugged outdoorsmen of the early environmental movement, such as John Muir and Bob Marshall, gave the cause a charismatic face, Zahniser strove to bring conservation's concerns into the public eye and the preservationists' plans to fruition. In many fights to save besieged wild lands, he pulled together fractious coalitions, built grassroots support networks, wooed skittish and truculent politicians, and generated streams of eloquent prose celebrating wilderness.
