La ciudad de México: Una historia (Coleccion Popular (Fondo de Cultura Economica)) (Spanish Edition) Serge Gruzinski

Para ordenar la historia de la gran megalópolis en que se ha convertido la ciudad de México, el autor ha elegido el camino inverso al que tradicionalmente adopta el historiador: en lugar de partir de los orígenes, empieza su recorrido en la moderna ciudad del siglo XX para retroceder en el tiempo hasta llegar a la gran Tenochtitlán y regresar después a la actual metrópoli posmoderna. El autor nos descubre la ciudad a través de su arquitectura, sus fiestas, su música, su cine y demás manifestaciones culturales.
