Memories of the Afterlife: Life Between Lives Stories of Personal Transformation Michael Newton

Dr. Michael Newton, best-selling author of *Journey of Souls* and *Destiny of Souls*, returns with a series of case studies that highlight the profound impact of spiritual regression on people's everyday lives.

Edited by Dr. Newton, these fascinating true accounts from around the world are handpicked and presented by Life Between Lives hypnotherapists certified by the Newton Institute. After recalling memories of their afterlife, the people in these studies embarked on life-changing spiritual journeys—reuniting with soul mates and spirit guides, and discovering the ramifications of life and body choices, love relationships, and dreams by communing with their immortal souls. As gems of self-knowledge are revealed, dramatic epiphanies result, enabling these ordinary people to understand adversity in their lives, find emotional healing, realize their true purpose, and forever enrich their lives with new meaning.
