**Práctica y fracaso del primer federalismo mexicano (1824-1835) (Spanish Edition)** Josefina Zoraida Vázquez

Este libro intenta seguir la historia del primer federalismo mexicano desde los diversos planos regionales que explican que su adopción no fue una copia del modelo estadounidense sino la única fórmula para salvar la integridad del territorio heredado del virreinato. Muchos siguen afirmando que la Constitución de 1824 fracasó por haber copiado la vecina que había sido producto de una experiencia histórica diferente sin haberlas comparado para percatarse que sólo tienen en común ser republicanas y federales, pues el cuerpo de la Constitución mexicana seguía de cerca la Constitución de 1812, ya que sus principales autores habían tenido la experiencia gaditana o la de parte del trienio liberal en que todavía participaron.
