The reformers taught with special insight due to their constant reading, study, translating, and preaching of the Sacred Scriptures. This commentary series shares with readers today insights from the reformers and faithful commentary that stems from their heritage. Similar to the NIV People's Bible Commentary Series, this lay-level commentary allows readers to study the Word in a deep and meaningful way with devotional warmth and readability. The Reformation Heritage Bible Commentary Series provides readers with an insightful New Testament commentary in the English Standard Version translation. This new series is perfect for church workers, Bible class teachers, or anyone interested in learning more about the Bible. The series' unique layout features both the English Standard Version and King James Version; the complimentary versions and parallel format allow readers to see both the classic and modern translations side by side.
