The Dagger X (The Dagger Chronicles) Brian Eames

Kitto's adventure continues in the suspenseful sequel to *The Dagger Quick*, which *School Library Journal* called a "quest perfect for landlubbers and pirate aficionados alike."

On the high seas of the Caribbean in the 1600s, a twelve-year-old boy, Kitto, stands wrongly accused of his father's murder and is forced into adulthood too quickly as he tries to prove his innocence. After a brutal shark attack, Kitto must take refuge on a forsaken island that holds a store of valuable nutmeg, with its power to make men as rich as kings.

When he encounters the notorious Alexandre Exquemelin, known as X, he discovers a dark secret about his own past and identity. Will the events of Kitto's past determine his fate, or will he have the courage to forge his own destiny?

A tale of friends and fiends, good and evil, pirates and predators, and the thrill of the high seas, *The Dagger X* is an exciting adventure and classic story of the search for manhood and identity.

Walter Telford:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Dagger X (The Dagger Chronicles) can make you truly feel more interested to read.
