David Robertson charts W. C. Handy's rise from a rural-Alabama childhood in the last decades of the nineteenth century to his emergence as one of the most celebrated songwriters of the twentieth century. The child of former slaves, Handy was first inspired by spirituals and folk songs, and his passion for music pushed him to leave home as a teenager, despite opposition from his preacher father. Handy soon found his way to St. Louis, where he spent a winter sleeping on cobblestone docks before lucking into a job with an Indiana brass band. It was in a minstrel show, playing to racially mixed audiences across the country, that he got his first real exposure as a professional musician, but it was in Memphis, where he settled in 1905, that he hit his full stride as a composer. At once a testament to the power of song and a chronicle of race and black music in America, W. C. Handy's life story is in many ways the story of the birth of our country's indigenous culture—and a riveting must read for anyone interested in the history of American music.

From reader reviews:

Luis Vargas:

What do you consider book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Simply you can be answered for that question above. Every person has different personality and hobby per other. Don't to be pushed someone or something that they don't need do that. You must know how great in addition to important the book W. C. Handy: The Life and Times of the Man Who Made the Blues. All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Janet Smith:

This W. C. Handy: The Life and Times of the Man Who Made the Blues is great book for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it info accurately using great manage word or we can claim no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with attractive delivering sentences. Having W. C. Handy: The Life and Times of the Man Who Made the Blues in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world throughout ten or fifteen small right but this reserve already do that. So , this is good reading book. Hey there Mr. and Mrs. hectic do you still doubt that?

Michael Palmateer:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this W. C. Handy: The Life and Times of the Man Who Made the Blues can make you sense more interested to read.

Janie Williams:

What is your hobby? Have you heard that question when you got pupils? We believe that that concern was given by teacher on their students. Many kinds of hobby, All people has different hobby. And also you know that little person including reading or as studying become their hobby. You need to understand that reading is very important along with book as to be the point. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You find good news or update concerning something by book. Many kinds of books that can you decide to try be your object. One of them is this W. C. Handy: The Life and Times of the
