After the bitter and surprising cards were dealt to her son's father, Rasheed, in book one of Baby Momma, Michelle is finally looking forward to leading a normal, quiet family life. However, there is nothing quiet about the secret lives the people around her are leading. Michelle finds herself drawn in by the allure of her budding real estate career, catering to the likes of models and basketball players and enjoying the sex-fueled spoils of the rich and shameless lifestyle. This only highlights the unsettling fact that her marriage and home life aren't as picture perfect as she imagined. When things begin to fall apart and fingers start pointing, it leads her down a dark and dangerous path. Her present is united with a past that could potentially destroy everything she's worked to achieve.

Michelle's journey is comprised of twists and turns, temptation and erotic encounters, and Michelle has only seen the tip of the iceberg. Only time will tell how far down in the depths of deceit she'll go in her attempt to shake her past and fortify her future.
