De la guerra a la paz (Narrativa empresarial) (Spanish Edition) The Arbinger Institute

Cuando nos encontramos ante un conflicto, ¿hacemos realmente todo lo que está en nuestras manos para solucionarlo? ¿Es posible que, sin saberlo, estemos perpetuando aquello que pretendemos resolver? El problema no desaparecerá mientras empleemos más energía en abordar los aspectos negativos de una situación que en intentar que las cosas mejoren. De la guerra a la paz nos enseña a corregir las pautas que, de forma sistemática, nos llevan a un callejón sin salida: no se puede esperar un cambio positivo en los demás sin antes deshacerse de los esquemas mentales que inducen al autoengaño. Basado en experiencias reales, *De la guerra a la paz* incluye elementos de filosofía, psicología e historia, y nos proporciona mucho más que un mensaje de esperanza: una herramienta indispensable, tanto en el ámbito profesional como en las relaciones personales, para descifrar la naturaleza de cualquier conflicto y obrar en consecuencia.
