Guide your students to a successful future in the new economy

Learn how outstanding schools on five continents address career readiness, and how your program can best prepare students for a successful future. Written for education leaders at all levels, this resource shows how to:

- Design a continuum of learning that empowers your students to become independent decision-makers
- Consistently support student voice and choice through all grade levels
- Integrate multiple Pathways to opportunity in your curriculum by developing local community partnerships
- Develop an approach to career readiness that recognizes the value of college, the workplace, university and the new “gold collar” jobs, including technology and the skilled trades
