## **La verità nero su bianco (Italian Edition)** Alessandro Sacco

Un saggio che presenta con parole semplici la natura di uno dei cetacei più straordinari: le orche. Un'opera che vuole sfatare la figura di animale assassino e pericoloso creata ad arte da film e romanzi, corredata da un breve approfondimento in merito alla discussa questione dei parchi marini.

An essay that, in simple words, presents the nature of one of the most extraordinary cetacean: the "killer" whales. A book to unmask the idea of a killer and dangerous animal created, on purpose, by several films and novels. A brief in-depth analysis, concerning the debated question of the marine parks, concludes the book.
