"Why?" seems to be on the lips of many church, judicatory, and denominational leaders today. "Why has our church plateaued?" "Why are so few young leaders going into church-based ministries?" "Why are so few interested in church these days?" *Recovering Hope* uncovers the "whys," creating space to embrace new realities, commit to the tough road of recovery, and develop new skills, structures, and ministry designs through a process of spiritual discernment, congregational coaching, and a deeper reliance on the work and ministry of the Holy Spirit. Eddie Hammett, a Professional Certified Coach and Church and Clergy Coach for the Cooperative Baptist Fellowship of North Carolina, provides a step-by-step process of hope and health to encourage, guide, and inspire pastors, leaders, churches, regions, and denominations that recovery of hope is possible. A TCP Leadership Series title.
