História da Magia (Portuguese Edition) Eliphas Levi

Magia significa "grande ciência". A Magia pode ser "branca", "cinzenta" ou "negra". É branca se aplicada de modo desinteressado e altruísta; cinzenta, se tem alguma finalidade egoísta, ainda que leve; e negra, se visa à prática do mal, quando então se torna "feitiçaria", considerada criminosa. É importante, portanto, distinguir uma da outra, com consciência de que sua aplicação boa ou má envolve grandes e terríveis responsabilidades ao seu agente. A ciência da Magia é muito complexa e sutil, e por isso não está ao alcance de qualquer um, moral e mentalmente preparado, tanto para expô-la como para aprendê-la. Entre os seus expositores mais aptos se considera Éliphas Lévi, por sua cultura e seu passado de sacerdote católico e cabalista emérito, e que legou ao mundo obras notáveis como esta História da Magia, com 49 capítulos, expostos num estilo claro, brilhante e atraente que, sem dúvida enriquecerá qualquer biblioteca e fascinará todos os que se interessam pela sua prática.

Willard Callahan:

As people who live in the actual modest era should be revise about what going on or facts even knowledge to make these individuals keep up with the era which can be always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know what one you should start with. This História da Magia (Portuguese Edition) is our recommendation to make you keep up with the world. Why, as this book serves what you want and wish in this era.

Barbara Baker:

Nowadays reading books become more and more than want or need but also work as a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want attract knowledge just go with training books but if you want really feel happy read one using theme for entertaining for instance comic or novel. The História da Magia (Portuguese Edition) is kind of e-book which is giving the reader capricious experience.

Cheryl Taylor:

The reason? Because this História da Magia (Portuguese Edition) is an unordinary book that the inside of the guide waiting for you to snap that but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

Leslie Martin:

This História da Magia (Portuguese Edition) is great publication for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This particular book reveal it data accurately using great plan word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tricky core information with beautiful delivering sentences. Having História da Magia (Portuguese Edition) in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen small right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?
