The Single Life

Liz Wood

The Single Life Liz Wood

Meet Lauren Wilt, Chicago's newest hot thirty-something. She's making a splash Carrie Bradshaw-style with a sex column in the *Chicago Gazette* that has singles in the city craving more.

Meet Lauren Gard, the fifty-something writer once loved by the literati, dealing with an empty nest, a new life alone and a tangle of leaky pipes.

And no one can know they're one and the same.

So when readers clamor to see their relationship diva in the flesh, Lauren and her friends must perpetrate some fancy sleight of hand à la Cyrano de Bergerac to keep the paper from finding out the truth...and they find out being single requires a lot of solidarity!
